

CAPABILITY STATEMENT

ABOUT ASP SOLUTION, INC.

Our Team provides Advance Service & Procurement Solution for Federal and State customers. Registered in the System for Award Management (SAM), and Department of Veterans Affairs verified Service-Disabled Veteran-Owned Small Business (SDVOSB).

ASP was founded on a precept to take exceptional care of government end-users, by providing extraordinary customer services for all customers. We address challenges and provide solutions with an unwavering commitment to do right by our clients and team members. This commitment is the foundation stone of our actions, and ethos of the way we do business, choose investments and apply creativity.

With an entrepreneurial spirit, our principal has over four decades of operational service and support for Department of Defense. U.S. Army Retired Commandant, Licensed Long-Term Healthcare Administrator, and results-oriented Project/Program Manager.
